

The Division of Public and Behavioral Health is Recruiting for Permanent and Temporary Medical Marijuana Positions:

For those who are interested in applying for new permanent positions in the Medical Marijuana Program, the Division is providing the following link to NVAPPS website where interested persons may apply for these positions as they are posted.

<https://nvapps.state.nv.us/NEATS/Recruiting/ViewJobsHome.aep>

It is recommended you check this site regularly as new positions are posted throughout each day. Positions include, but are not limited to, the following: [Medical Marijuana Program Inspector](#), [Auditor II](#), and [Administrative Assistant III](#). Click on a position to view the class specifications.

The Division is also hiring skilled professionals on a temporary basis to assist with application process for the certification of medical marijuana establishments. These positions are being recruited by and hired through Avysion Healthcare Services. Skill sets of interest include: administrative assistant background, accounting, personnel officers/human resources, business ownership, environmental protection, pharmacist technician experience, fire and life safety, IT professionals, supply technician background, inspection, purchasing, public works background, and building construction/inspection experience

Interested persons should send their resume and direct their questions to: Chris Blyweiss at cblyweiss@avysion.com. *No phone calls, faxes or mailings will be accepted, you must use this email address only. In addition, please do not contact the Division with any questions related to this recruitment as the email provided is the only acceptable avenue available.*

Please note anyone with an affiliation to an applicant for a medical marijuana establishment registrant certification is not eligible. Acceptance of a position may require the signing of documents related to confidentiality, non-compete clauses/restriction on employment in the industry, etc.
